

We observed that Except (TCS and Infosys) all other shares can be bought and sell during the years 2015 -2018.

Shares except (TCS and Infosys) should be sold in the year 2017 for maximum profit.

In the year 2018 TCS and Infosys can be bought and sell.

Shares except (TCS and Infosys) can be kept on hold for the year 2016 and can be sold in 2017.

Only TVS Motors has maximum profit if bought in the year 2015 and kept on hold for year 2016 and 2017, then sell the TVS Motors share in 2018 to get best profit.

When comparing opening and closing prices in year 2015 and 2018 respectively, we observed that only TVS Motors has closing price(2018) greater than the opening price(2015).
